

Admission Policy

(Dec 2017)

Applicants are admitted based on the student's ability to succeed socially and academically. They must be committed to our program and prove that they are hard-working and focused learners. Parents/ legal guardians are expected to support and be involved in their children's education. However, the student is responsible for putting forth the effort to meet the school's academic expectations.

Applications for admission are accepted throughout the year. An Admission Committee evaluates of the application of the prospective student. Admission and year level placement will be based on academic evaluations and assessments, German/ English proficiency, age, previous school records, the student interview(s), teacher recommendations, and any diagnostic testing that will help the Admissions Committee to understand any special learning needs the applicant may have. The final decision to offer a place to a student is taken by the Head of School.

IB-Diploma (IB DP) Admission Policy

The IB DP Admission Policy is part of the IGS Admission Policy. The IB DP Programme at IGS is designed for students who aim at obtaining a certificate that permits access to higher education. The full diploma can only be received when covering all requested subjects.

Other than joining as an IB Diploma candidate the students can join as an IB course candidate with IB exam or as a non-examination student with an internal school assessment.

Applications for admission are accepted throughout the year up until grade 10. For the IB DP admissions are accepted until June 30th. Entering the IB DP during the classes 11/ 12 is not recommended.

Admission Prerequisites

The IB DP is open to all students regardless of the educational system they had joined previously. A transfer recommendation certificate of grade 10 is required with at least average success in all relevant IB subjects, whereby the covered materials in each subject have to be equivalent to the contents and standards of the curriculum of Grade 9/10 at IGS. In case the indicated subjects have not or only partly been taught at the previous school, the students can request a placement test for the subject or subject area.
