

Dear Parents,
At IGS, we believe that real learning happens when children are empowered to explore, create, and grow — with head, heart, and hands. With the new structure launching in 2025/26, we are taking the next step in our long-term educational development.

Afternoons dedicated to extracurricular activities, enrichment, and support

90-Minuten-Blöcke für intensiveres Lernen
Einheitlicher Rhythmus in der Grundschule,
Sekundarstufe und im IB

Earlier finish (between 2:30–3:15 p.m.)

Opportunities in the afternoon for enrichment, creative pursuits, and guided support

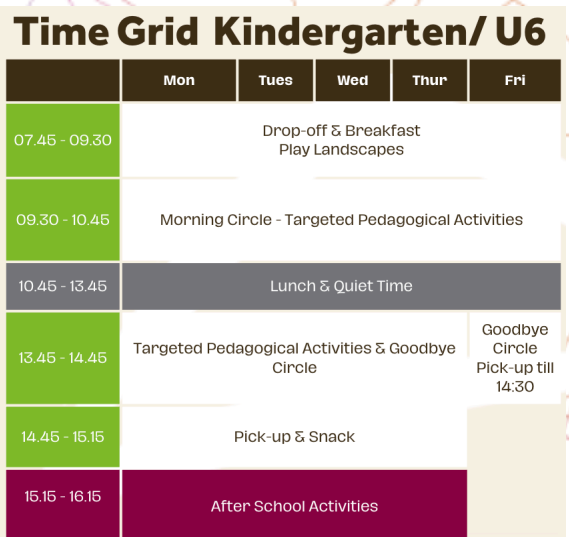

More time for Music, Art, and Performing Arts

Ongoing training and collaboration to ensure quality and innovation

Wide range of offerings from sports and music to chess, coding, and creativity
All activities take place in dedicated time slots
